
I help create a connecting arc of solid branding and messaging...between your website, business & customers.

Bridging the heart of your business identity with valuable online creations and other media solutions.

I'm a Web Producer & Designer, Print Designer, Business Advisor and Project Manager. A well-seasoned professional in the interactive industry for over 25 years (including my own long-term web business) — offering a range of customized, integrated interactive and business services.

- Service a range of small-town businesses, start-ups or large-scale corporate productions
- Experience in various sectors (art world, financial, publishing, marketing & communications, music, media, PR)
- Competitive, scalable budget and timeline options available; hourly ongoing maintenance fees

My Services Include:

- **Websites: customized design & build, redesign, ongoing maintenance**
 - Business & communication strategy—short & long-term goals
 - Coordinate website hosting and domain registration/redirecting
 - Customized, beautiful website designs aligned with your unique business
 - Extensive experience with Wordpress, WIX, Squarespace and other online editing tools
 - Basic shopping cart configuration; also PayPal button/link creation and integration
 - Write new/enhanced copywriting and messaging
 - Intuitive and user-friendly site navigation, page structure and page design
 - SEO keywords & hashtag recommendations
 - Blog creation and optimal category filters
 - Website analysis and enhancement recommendations; competitive marketing analysis
 - Simple training and instruction for your own content maintenance and blogging
- **Print marketing promotional material**
 - Cards, flyers, posters, brochures, banners, rack cards, press kits
- **Digital marketing promotional material**
 - Banners and thumbnails for all social media platforms (static and animated)
- **Images & photography**
 - Coordination of photo shoots, image editing, sourcing, retouching, slideshows
- **Text content & copywriting**
 - Original content copy writing per audience and platform; existing copy review and editing
 - For Print, digital & website
- **Video**
 - Full scripting, shooting, editing (including titles and soundtrack/background sound)
 - Promotional, instructional and creative content
- **Newsletters**
 - Layout design and copywriting templates; configuration of email tool

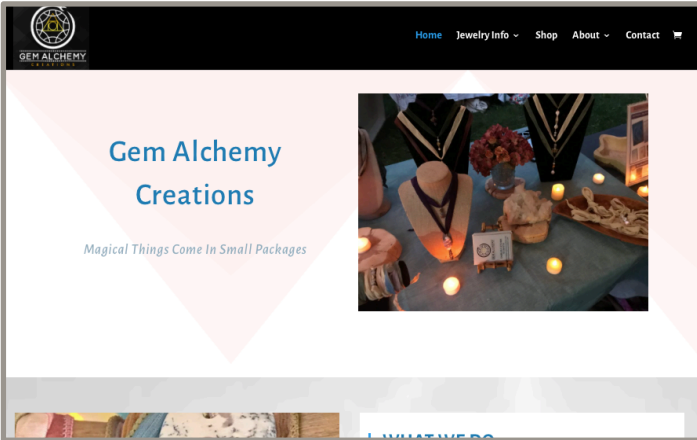

- **Project Management for small & large projects**
- **Creative Business Strategies: align your marketing with the heart of your business**
- **Event Coordination, Planning & Master of Ceremonies**

Let's discuss how I can support the continued growth and success of your business, project or event.

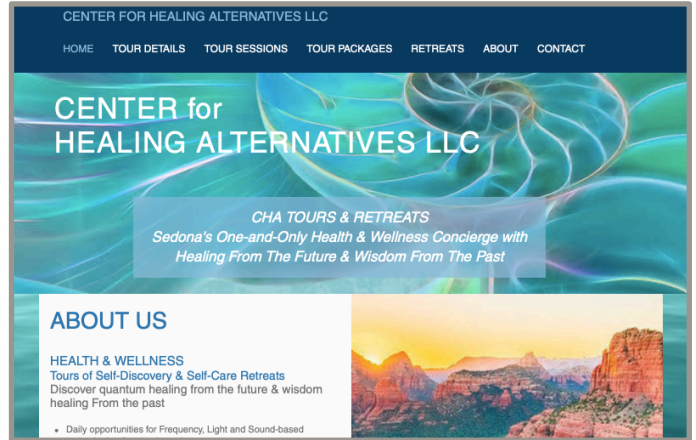

I look forward to helping you and your business succeed!

"Working with Jennifer was a dream come true. She led me through my technological journey with integrity, professionalism, and a good dose of heart. It was powerful to see her great care and attention to detail in navigating our project. I would recommend her to anyone."

CHA FULL DAY PACKAGES TO ROCK YOUR WORLD
Healing from the Future Meeting the Ancient Past ...in the heart of Sedona

Package 6 (includes lunch break at local eateries)
SOUND, LIGHT & VIBRATION \$599
I am Complete, Joyful, Serene & Transfigured.

Sound, light and vibration dissolves barriers which hold us back in body, mind and spirit. This reboot is a welcome tuneup on many levels! Be at the receiving end for a complementary combination of the best this field has to offer. You will be pleasantly surprised by how your chakras like the balancing hum of the tuning fork, by what a multi-sensory experience on the crystal light bed feels like, and by how ready you are to then unwind in the quiet stillness of the dry salt bath.

- Crystal Light Bed with Reiki & Reflexology
- Tuning Forks and/or Crystal Bowls
- Quantum Bloc
- Infrared Chamber & Intro to Lasers
- Light Language Activation
- Halotherapy (Salt Room)
